

RENEWABLE ENERGY CERTIFICATE

Certificate No. 2025-8994-0001

We hereby confirm
Wareg Verpackungs-GmbH
Lilienthalstr. 7b
in 64625 Bensheim

In cooperation with:

the purchase of 100% green electricity from renewable energy plants with statutory environmental standards.

The guarantees of origin are issued towards renewable energy plants which comply with statutory environmental standards whilst being connected to the European grid. Furthermore, they fulfill the criteria for KlimalInvest ÖKOSTROM by KlimalInvest Green Concepts GmbH.

For the period of 01. Januar 2025 to 31. Dezember 2025, a total of 188 MWh guarantees of origin have been redeemed to document the consumption of green electricity from renewable energy sources.

When compared to the electricity generation constituting the German energy mix at the time of this certificate's issuance, up to 61 tons of CO₂ emissions will be saved through purchasing and using renewable energy. In addition, estimated 2,0 tons of upstream emissions will be compensate according to the product criteria catalogue.

The cancellation in accordance with § 30 Guarantees of Origin Implementing Ordinance (HkRNDV) is carried out and confirmed by the registry of the German Environment Agency.
